## Embrace™ Infant Car Seat, Factory Select

### Specifically for infants - convenience for you and comfort for baby.

The Evenflo® Embrace™ Infant Car Seat combines safety, comfort & ease with exclusive convenience features for you. With the lightweight design, you won't have to worry about your arm getting tired while on the go! Your baby will be comfortable on the road with a plush pad insert and pivoting canopy. To ease your on the go lifestyle, Embrace has an up-front adjust for simple harness adjustment throughout the year. This seat can be used with or without the base, and additional accessory bases are available.

### Protecting children is our core mission at Evenflo.

For almost a century we have been a leader in safety, innovation and education. Knowing that one in four automobile accidents are side impact collisions, we go beyond the current government standards when designing the next generation of Evenflo car seats, including the Embrace.

## Fashion will Vary

## Consumer Benefits

**4-35 lb. Harness Rating!** Nationally recognized by Safety Advocates for low birth weight babies.

**25% lighter** than comparable infant car seats. Light weight for Mom; same protection for baby

**Up-front harness** adjustment for easy access

**Adjustable auto base** includes central pendulum level indicator to ensure a proper recline

**3 shoulder harness positions** for better fit and longer use

**Canopy** shields baby from the elements

**Auto Belt Guides** for use without a base

**Separate stay-in-car base** allows for easy transfer from home to car

**Mom-friendly ergonomic, easy-to-carry handle**

**Easy-off, machine-washable** car seat pad

**Designed and tested for structural integrity** at energy levels approximately 2X the federal crash test standard

**Side Impact Tested!** Meets or exceeds all applicable Federal Safety Standards AND Evenflo's Side Impact test Standard

**Energy absorbing foam liner** provides added safety & comfort

## Safety Testing

**Side Impact Tested!** Meets or exceeds all applicable federal safety standards and Evenflo's side impact standards.

Designed and tested for structural integrity at energy levels approximately **2X the federal crash test standard.**

**FMVSS 213:** Federal Motor Vehicle Safety Standards for Child Restraint Systems

**FMVSS 302:** Federal Motor Vehicle Safety Standards for Flammability of Interior Materials

**Certified For Use In Aircraft:** ONLY when used with the 5-point harness this restraint meets FAA Inversion requirements for airplane use.

## Child Specifications

**Weight:** 4 - 35 lbs. (1,8 - 15,8 kg)

**Height:** Up to 30 inches (76 cm)

The top of the child's head must be at least 1 inch below the top of the child restraint seat back.

## Use & Care

Carefully read all instructions and warnings on the product, product labels, and instruction manuals before use. Consult your vehicle owner's manual to determine proper placement of child restraint in your vehicle and familiarize yourself with your vehicle's components.

### Cleaning Instructions

- Cloth pad, canopy and head support may be machine washed separately in cold water, delicate cycle, tumble dry 10 – 15 minutes, low heat.
- Wipe straps, buckles and harness adjuster with warm damp cloth and mild soap. Air dry.
