Without Backrest
 40-110 lbs | 40-57 in
 18,0-49,8 kg | 102-145 kg

Amp

Booster Car Seat, Factory Select 2 pack

Designed for older kids ready to use the vehicle's belt.

The Evenflo® Amp Booster Car Seats offer a 2-in-1 design that allows them to transition from a high-back booster car seat to a no-back booster car seat. The one-hand full body adjustment allows the seat to be positioned at 6 different heights for a correct fit. The dual cup holders will keep drinks and snacks close. Give your child the comfort and protection they deserve with Evenflo booster car seats.

Protecting children is our core mission at Evenflo.

For almost a century we have been a leader in safety, innovation and education. Knowing that one in four automobile accidents are side impact collisions, we go beyond the current government standards when designing the next generation of Evenflo car seats, including the Amp.

FASHION WILL VARY

2 Seats In 1 - Removable back for easy transition to a no-back booster

Easy! One-hand, 6-position height adjustment to accommodate growing children longer

2 cup holders for drinks

Consumer Benefits

Machine-washable pad keeps seat looking clean
