Symphony™ LX All-In-One Car Seat, Factory Select

Extended use from birth to harnessed booster mode.

The Evenflo® Symphony™ LX All-In-One Car Seat accommodates children ranging from 5-110 lbs. with the most innovation and value on the market. Symphony LX provides exclusive safety features like **Quick Connector® technology**; you simply Click, Click, Pull for a super-fast and super-snug installation!

Protecting children is our core mission at Evenflo.

For almost a century we have been a leader in safety, innovation and education. Knowing that one in four automobile accidents are side impact collisions, we go beyond the current government standards when designing the next generation of Evenflo car seats, including the Symphony.

Fashion will vary

Consumer Benefits

New! Dual, seat-Integrated elastic cup holders for easy access to drinks

Quick Connector® - Simply Click, Click & Pull for a super-fast, super-snug installation of the seat to the vehicle.

All-In-One Car Seat - The only car seat you will ever need!

Infinite Slide™ Harness easily slides for an accurate fit every time. No reworking the harness as child grows!

Up-front multi-position recline for child's comfort while asleep or awake

65 lb. harness weight rating accommodates growing children longer

Removable head and body pillow for additional comfort and support

One-hand adjustable headrest grows with your child

Easy-off, machine-washable car seat pad requires no harness rethreading

Side Impact Tested! Meets or exceeds all applicable Federal Safety Standards AND Evenflo's Side Impact Test Standard

Designed and tested for structural integrity at energy levels approximately 2X the federal crash test standard

Energy absorbing foam liner provides added safety & comfort

Safety Testing

Side Impact Tested! Meets or exceeds all applicable federal safety standards and Evenflo's side impact standards.

Designed and tested for structural integrity at energy levels approximately **2X the federal crash test standard.**

Height: 43.3 - 57 inches (110 - 145 cm)

AND the tops of their ears are below the top of the child restraint headrest.

Age: At least four years of age

Use & Care

Carefully read all instructions and warnings on the product, product labels, and instruction manuals before use. Consult your vehicle owner's manual to determine proper placement of child restraint in your vehicle and familiarize yourself with your vehicle's components.

Cleaning Instructions

- DO NOT lubricate or immerse the SureLATCH connectors, the buckle, or any other part of this child restraint.
- Plastic and metal parts may be wiped clean with mild soap and water and dried with a soft cloth.
- Do not use abrasive cleaners or solvents.
- Take care not to damage any labels.
- The harness can be wiped clean with mild soap and water. Allow harness to air dry. DO NOT immerse buckle in water or lubricate buckle.
- Machine wash the seat pad separately in cold water, delicate cycle, and tumble dry 10 – 15 minutes on low heat.
