1st Choice™ Infant Car Seat, Factory Select

Specifically for infants - convenience for you and comfort for baby.

The Evenflo® 1st Choice™ Infant Car Seat provides comfort for your child and exclusive convenience for the ultimate value in child restraints. The 1st Choice Infant Car Seat features an ergonomically shaped handle for a more comfortable carry. This seat can be used rear-facing only for children weighing 5 - 22 lbs. This seat may be used with or without a base.

Additional accessory bases available.

Protecting children is our core mission at Evenflo.

For almost a century we have been a leader in safety, innovation and education. Knowing that one in four automobile accidents are side impact collisions, we go beyond the current government standards when designing the next generation of Evenflo car seats, including the 1st Choice.

Fashion will Vary

- Mom-friendly ergonomic, easy-to-carry handle
- Auto belt guides
- 5-point harness
- Pad removes easily for machine-washing
- 3 shoulder harness positions and 2 crotch buckle positions for better fit and longer use

Consumer Benefits

Energy absorbing foam liner provides added safety & comfort

Safety Testing

Side Impact Tested! Meets or exceeds all applicable federal safety standards and Evenflo's side impact standards.

Designed and tested for structural integrity at energy levels approximately 2X the federal crash test standard.

FMVSS 213: Federal Motor Vehicle Safety Standards for Child Restraint Systems

FMVSS 302: Federal Motor Vehicle Safety Standards for Flammability of Interior Materials

Certified For Use In Aircraft: This restraint meets FAA Inversion requirements for airplane use.

Child Specifications

Weight: 5 - 22 lbs. (2,3 - 10,0 kg)

Height: 19 - 29 in. (48 - 74 cm)

The top of the child's head must be at least 1 inch below the top of the child restraint seat back

Use & Care

Carefully read all instructions and warnings on the product, product labels, and instruction manuals before use. Consult your vehicle owner's manual to determine proper placement of child restraint in your vehicle and familiarize yourself with your vehicle's components.

Cleaning Instructions

- To clean pads slide the plastic clips on the seat pad off of the seat shell.
- Cloth pads and canopies may be machine washed separately – cold water, delicate cycle, tumble dry 10 – 15 minutes, low heat.
- Wipe straps, buckles and harness adjuster with warm damp cloth and mild soap. Air dry.
- To help protect the vehicle upholstery, place a towel beneath and behind the child restraint.
