## Sonus™

### Convertible Car Seat, Factory Select (2 pk)

#### Rear-facing for infants, and when ready, converts to forward-facing.

Keep your growing child safe and comfortable in Evenflo's Sonus convertible car seat. With a rear-facing weight rating up to 40lbs and a forward-facing weight rating up to 50 lbs. your child can remain harnessed longer! For added comfort, this seat offers a built-in ventilation system that provides a comfortable seat for your child through all seasons. Try this seat for a top notch extended-use option at an affordable price.

#### Protecting children is our core mission at Evenflo.

At Evenflo, we continue to go above and beyond government standards. Designed and tested for structural integrity at energy levels approximately 2x the federal crash test standard AND tested to simulate a side impact event and rollover event.

## Consumer Benefits

**Rollover Tested-** Evenflo is leading the industry with the development of a dynamic rollover test.

**Air Flow Ventilation System-** Offers built-in ventilation system that provides a comfortable seat for your child through all seasons.

**Extended Use-** Accommodates your growing child longer with the broadest range of harness adjustments.

**Up-Front Adjust** – Easy access harness tension system

**6 shoulder strap positions** ensure proper fit always

**Pad removes easily** for machine-washing

**Buckle Pockets**-Protect from hot buckle burns and eliminate digging under child for lost buckles.

**Side Impact Tested!** Meets or exceeds all applicable Federal Safety Standards AND Evenflo's Side Impact Test Standard

**Designed and tested** for structural integrity at energy levels approximately 2X the federal crash test standard

**Energy absorbing foam liner** provides added safety & comfort

## Safety Testing

---

## Use & Care

---

Carefully read all instructions and warnings on the product, product labels, and instruction manuals before use. Consult your vehicle owner's manual to determine proper placement of child restraint in your vehicle and familiarize yourself with your vehicle's components.

### Cleaning Instructions

- To clean pads slide the plastic clips on the seat pad off of the seat shell.
- Cloth pads and canopies may be machine washed separately – cold water, delicate cycle, tumble dry 10 – 15 minutes, low heat.
- Wipe straps, buckles and harness adjuster with warm damp cloth and mild soap. Air dry.
- To help protect the vehicle upholstery, place a towel beneath and behind the child restraint.
